## ARRIVAL REGULATIONS AND REGISTRATION

- 1 - On arrival, campers are obliged to hand over their ID documents and personally fill out the "Notification Sheet".
- 2 - Minors are admitted only if accompanied by their parents.
- 3 - Campers can access the correct campsite reserved for them exclusively and indicated on the ground plan attached to this regulation sheet.
- 4 - Day guests are not admitted unless authorised by the management. Guests who are admitted must hand over their ID documents and pay a daily rate. Anyone who is not staying the night is a day guest.
- 5 - **You may not park your car in the pine grove.**  
You can, if necessary, stop temporarily (a few minutes) to load and unload equipment, and only in the more compacted areas of the grove. **In any event, vehicles with catalytic converters are not allowed into the pine grove.**

## REST TIME RULES

- 1 - From 1pm to 4pm and from 8pm to 9:00 am, noise and activities that in general cause a disturbance to campers are strictly prohibited.
- 2 - **The entry of vehicles into the pine grove, the mounting and dismounting of equipment and movement of campers into assigned places are especially forbidden.**
- 3 - The main entrance barrier closes at midnight and the entertainment in the bar piazza ends at 12am.

## COMMON RULES

- 1 - Speed limits posted along the main campground roads must be respected, and the embarkation exit road placed in the centre of the beach must be used. **Flammable substances must not be kept inside the pine grove** (ex: petrol tanks).
- 2 - **You can use the charcoal grill only in the correct places along the tree-lined avenue.** It is further forbidden to tie lines at the height of a person between the trees and along the emergency exits, creating danger to the campers' safety. Personnel is authorised to remove them immediately.
- 3 - **To connect to the electric pylons, it is necessary to get help from the campground staff; it is also necessary to use non-flammable cables according to CEI regulations, with no joints or other alterations.**  
External lights may not be set up unless they have a protection degree of Ip65; all such use must however respect all safety features as indicated by the law. The current is 220V. Each use has 600 watts available, so electric hotplates, hair dryers and such cannot be used.
- 4 - Only very small dogs are allowed (maximum height 30cm at the withers) and only inside their own equipment and on conditions that their entrance has been agreed to beforehand by the management. Dogs are to be always on a lead (while being walked and in the campsite) and cannot be brought into the common areas; they cannot be left alone in the campsite. The same rules apply to other small pets.
- 5 - Even though the campground is under surveillance, each camper is expected to take care of his/her own property. The management does not take any responsibility for theft or loss.
- 6 - The use of the equipment, the playground and other, will be at your own risk and safety. Children have to be accompanied when using the various equipment and services in general. Children must be supervised by their parents, who are held directly responsible.
- 7 - We ask that you respect the trees: do not drive nails into them, pour flammable or hot liquids on them, dig ditches alongside the tents or fence in the perimeter of the campsite itself.

Entrance to the campgrounds means, right from the start, accepting the present regulations and the full observance of those included in supplementary legislation which the management retains necessary to issue in order to guarantee better safety and community life within the campgrounds. The campground management has the right, with prior contestation, to rescind the contract at any time, in the event the lessee, his or her guests or family members have not respected the above regulations.

**We are pleased to have you as our guest and we wish you a happy and relaxing stay at our campground.**
